

# Your awesome poster title!

**Your Name**<sup>1</sup>, Collaborator 1<sup>1</sup>, Collaborator 2<sup>1</sup>, External Collaborator<sup>2</sup>

<sup>1</sup>Université de Genève    <sup>2</sup>External Institute

## Motivation

Why did you do all of this work?

## Overview

All the things you could be telling with this poster...

For reference, the regulations for the corporate identity of the Université de Genève can be found here:  
<https://unige.ch/communication/publier/charte>

Meanwhile, additional logos can be downloaded directly here as well:  
<https://charte.unige.ch/logo>

## Stylistic Options

Plenty to choose from honestly...

Like a newline

Or a paragraph break

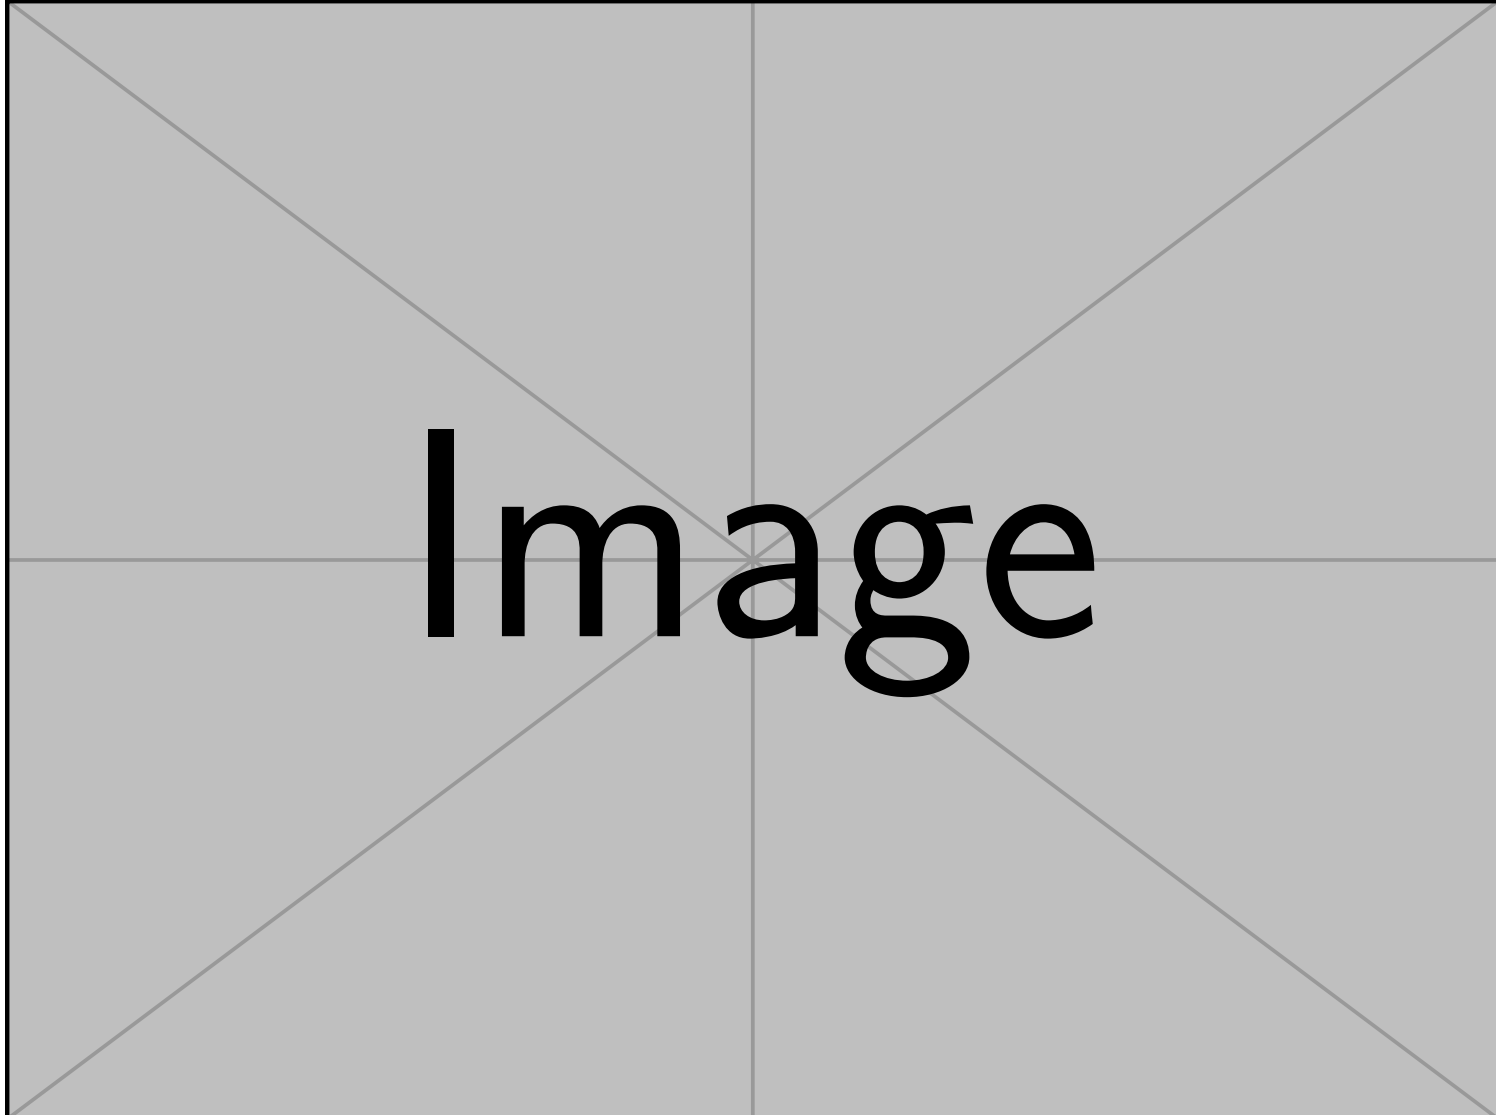

Or

A

List

## Stylistic Options II

You can also use figures or tables!

A caption for the figure.

## An important section

This section is especially important!  
Just look at its pretty color

### Another Example

You can even use blocks in blocks, amazing!

## Outlook & Conclusions

Time to wrap it up...

Maybe add a nice QR code to your paper here, similar to the code to the poster template repo on the right!
